(For more information, please refer to the sample syllabus posted on Notice board.)</p> <p>2. Applicants must have received Ph. D. degree from the field of Teaching Korean as a Foreign Language.</p> <p>3. At the time of application, applicants must have at least 3 years of teaching experience in General Studies for International Students (undergraduate level).</p> <p>4. Applicants with ample experiences of course development and textbook publication in General Studies for International Students are preferred.</p>
College of Medicine (Dept. of Medical Science)	Dept. of Preventive Medicine (BM)	Metabolism	1	A specialist who has a board of preventive medicine is preferred.
College of Medicine (Dept. of Medical Science)	Dept. of Pathology (BM)	Hematopathology	1	Anam Hospital
College of Medicine (Dept. of Medical Science)	Dept. of Pathology (BM)	Surgical Pathology	1	Guro Hospital

College	Department	Major	Position	Special Conditions (Remarks)
College of Medicine (Dept. of Medical Science)	Dept. of Internal Medicine (GE-AA)	Hepatology	1	1. Applicants must be hepatology specialist with extensive experience in clinical and translational research for liver disease. 2. Applicants must be experts in medical techniques such as abdominal sonography and fibroscan procedure for liver disease.
College of Medicine (Dept. of Medical Science)	Dept. of Internal Medicine (CA-AA)	Cardiology	1	Applicants must have more than 2 years of clinical experience in the field of Arrhythmia at the time of application.
College of Medicine (Dept. of Medical Science)	Dept. of Internal Medicine (PU-AA)	Pulmonary Medicine/Allergy	1	Applicants who are experts in subspecialty Board of Allergology of the Korean Association of Internal Medicine are preferred.
College of Medicine (Dept. of Medical Science)	Dept. of Internal Medicine (ID-AA)	Infectious Diseases	1	1. Applicants must be board certified in Infectious Diseases with more than 2 years of experience of managing infectious diseases following the board certification. 2. Applicants must have expertise in transplant infectious diseases with additional overseas training or overseas infectious diseases board certification. 3. Applicants must have experience in the development of platform for clinical application of Artificial Intelligence or big data.
College of Medicine (Dept. of Medical Science)	Dept. of Internal Medicine (HO-AA)	Medical Oncology	1	Medical Oncology (Colorectal Cancer)

College	Department	Major	Position	Special Conditions (Remarks)
College of Medicine (Dept. of Medical Science)	Dept. of Surgery (BES-AA)	Breast Endocrine Surgery	1	
College of Medicine (Dept. of Medical Science)	Dept. of Surgery (TVS-AA)	Transplantation Vascular Surgery	1	
College of Medicine (Dept. of Medical Science)	Dept. of Surgery (ACS-AA)	Acute Care Surgery	1	
College of Medicine (Dept. of Medical Science)	Dept. of Pediatrics (AA)	Hemato-Oncology	1	
College of Medicine (Dept. of Medical Science)	Dept. of Neurology (AA)	Epilepsy & Sleep Medicine	1	

College	Department	Major	Position	Special Conditions (Remarks)
College of Medicine (Dept. of Medical Science)	Dept. of Urology (AA)	Pediatric Urology & Reconstructive Urologic Surgery	1	1. Applicants must have 8 or more research papers published in SCIE-indexed journals over the past 5 years as of announced appointment date. 2. Applicants must have more than 3 years of experience in laparoscopic & robotic surgery in relevant field at the time of application. 3. Applicants must have more than 3 years experience of clinical fellow in University Hospital at the time of application. 4. Applicants must have more than 1 month of overseas clinical training in relevant field at the time of application.
College of Medicine (Dept. of Medical Science)	Dept. of Radiology (AA)	Breast Imaging	1	
College of Medicine (Dept. of Medical Science)	Dept. of Anesthesiology & Pain Medicine (AA)	Pain	1	
College of Medicine (Dept. of Medical Science)	Dept. of Laboratory Medicine (AA)	Laboratory Medicine	1	1. Molecular Diagnostics: Cancer Immuno-Genomics & Transcriptomics 2. Transfusion Medicine: Cell Therapy Applicants must have the expertise in at least one of the above-mentioned subspecialties.
College of Medicine (Dept. of Medical Science)	Dept. of Nuclear Medicine (AA)	Nuclear Medicine	1	

College	Department	Major	Position	Special Conditions (Remarks)
College of Medicine (Dept. of Medical Science)	Dept. of Internal Medicine (PU-GR)	Pulmonary Medicine/Tuberculosis & Pulmonary Infection	1	Applicants who are experts in subspecialty Board of Pulmonology of the Korean Association of Internal Medicine are preferred.
College of Medicine (Dept. of Medical Science)	Dept. of Internal Medicine (HO-GR)	Medical Oncology	1	Medical Oncology (Breast Cancer)
College of Medicine (Dept. of Medical Science)	Dept. of Surgery (TVS-GR)	Transplantation Vascular Surgery	1	
College of Medicine (Dept. of Medical Science)	Dept. of Orthopedic Surgery (GR)	Hip	1	
College of Medicine (Dept. of Medical Science)	Dept. of Neurosurgery (GR)	Cerebrovascular Disease	1	
College of Medicine (Dept. of Medical Science)	Dept. of Plastic & Reconstructive Surgery (GR)	Reconstructive Surgery: Microsurgery	1	Applicants must be experts in the reconstruction of wound repair and tumor resection whose major is in microsurgery.
College of Medicine (Dept. of Medical Science)	Dept. of Psychiatry (GR)	Psychiatry	1	Adult Psychiatry
College of Medicine (Dept. of Medical Science)	Dept. of Dermatology (GR)	Cutaneous Oncology, Dermatotomy	1	

College	Department	Major	Position	Special Conditions (Remarks)
College of Medicine (Dept. of Medical Science)	Dept. of Ophthalmology (GR)	Strabismus & Neuroophthalmology	1	
College of Medicine (Dept. of Medical Science)	Dept. of Radiology (GR)	Neuroradiology	1	
College of Medicine (Dept. of Medical Science)	Dept. of Anesthesiology & Pain Medicine (GR)	Regional Anesthesia	1	
College of Medicine (Dept. of Medical Science)	Dept. of Laboratory Medicine (GR)	Clinical Chemistry & Molecular Genetics	1	
College of Medicine (Dept. of Medical Science)	Dept. of Internal Medicine (CA-AS)	Interventional Cardiology	1	
College of Medicine (Dept. of Medical Science)	Dept. of Internal Medicine (PU-AS)	Pulmonary Medicine/Critical Care Medicine	1	Applicants must be qualified for a Board Certified Intensivist of the Korean Society of Critical Care Medicine.
College of Medicine (Dept. of Medical Science)	Dept. of Internal Medicine (RH-AS)	Rheumatology, Internal Medicine	1	Applicants who are experts in subspecialty Board of Rheumatology are preferred.
College of Medicine (Dept. of Medical Science)	Dept. of Orthopedic Surgery (AS)	Foot and Ankle	1	

College	Department	Major	Position	Special Conditions (Remarks)
College of Medicine (Dept. of Medical Science)	Dept. of Thoracic & Cardiovascular Surgery (AS)	Thoracic Surgery	1	
College of Medicine (Dept. of Medical Science)	Dept. of Obstetrics & Gynecology (AS)	Maternal-Fetal Medicine	1	
College of Medicine (Dept. of Medical Science)	Dept. of Otorhinolaryngology -Head & Neck Surgery (AS)	Head & Neck Surgery	1	
College of Medicine (Dept. of Medical Science)	Dept. of Physical Medicine & Rehabilitation (AS)	Cancer Rehabilitation & Electrodagnosis	1	

※ **Acronyms in Dept. of Medical Science**

1. BM: Basic Medicine, 2. AA: Anam Hospital, 3. GR: Guro Hospital, 4. AS: Ansan Hospital

2. Qualifications

- A. Applicants must be eligible for appointment in accordance with *Private University Law* of the Republic of Korea and *Faculty Personnel Regulations* of Korea University.
- B. Applicants must possess a Ph. D. degree by the date of application.
 - Exception: School of Law (Applicants with B.A. degree are also eligible.)

4. Applicants with ample experiences of course development and textbook publication in General Studies for International Students are preferred.

○ **All Fields, Dept. of Medical Science, College of Medicine**

1. Applicants must have specialist certificate. (applied only to medical doctor working in hospital)
2. Applicants must have finished the national military service before application. (National military service exemption or equivalent career considered.)

○ **Metabolism, Dept. of Preventive Medicine (BM), Dept. of Medical Science, College of Medicine**

A specialist who has a board of preventive medicine is preferred.

○ **Hematopathology, Dept. of Pathology (BM), Dept. of Medical Science, College of Medicine**

Anam Hospital

○ **Surgical Pathology, Dept. of Pathology (BM), Dept. of Medical Science, College of Medicine**

Guro Hospital

○ **Hepatology, Dept. of Internal Medicine (GE-AA), Dept. of Medical Science, College of Medicine**

1. Applicants must be hepatology specialist with extensive experience in clinical and translational research for liver disease.
2. Applicants must be experts in medical techniques such as abdominal sonography and fibroscan procedure for liver disease.

○ **Cardiology, Dept. of Internal Medicine (CA-AA), Dept. of Medical Science, College of Medicine**

Applicants must have more than 2 years of clinical experience in the field of Arrhythmia at the time of application.

○ **Pulmonary Medicine/Allergy, Dept. of Internal Medicine (PU-AA), Dept. of Medical Science, College of Medicine**

Applicants who are experts in subspecialty Board of Allergology of the Korean Association of Internal Medicine are preferred.

○ **Infectious Diseases, Dept. of Internal Medicine (ID-AA), Dept. of Medical Science, College of Medicine**

1. Applicants must be board certified in Infectious Diseases with more than 2 years of experience of managing infectious diseases following the board certification.
2. Applicants must have expertise in transplant infectious diseases with additional overseas training or overseas infectious diseases board certification.
3. Applicants must have experience in the development of platform for clinical application of Artificial Intelligence or big data.

○ **Medical Oncology, Dept. of Internal Medicine (HO-AA), Dept. of Medical Science, College of Medicine**

Medical Oncology (Colorectal Cancer)

○ **Pediatric Urology & Reconstructive Urologic Surgery, Dept. of Urology (AA), Dept. of Medical Science, College of Medicine**

1. Applicants must have 8 or more research papers published in SCIE-indexed journals over the past 5 years as of announced appointment date.
2. Applicants must have more than 3 years of experience in laparoscopic & robotic surgery in relevant field at the time of application.
3. Applicants must have more than 3 years experience of clinical fellow in University Hospital at the time of application.
4. Applicants must have more than 1 month of overseas clinical training in relevant field at the time of application.

○ **Laboratory Medicine, Dept. of Laboratory Medicine (AA), Dept. of Medical Science, College of Medicine**

1. Molecular Diagnostics: Cancer Immuno-Genomics & Transcriptomics
2. Transfusion Medicine: Cell Therapy

Applicants must have the expertise in at least one of the above-mentioned subspecialties.

○ **Pulmonary Medicine/Tuberculosis & Pulmonary Infection, Dept. of Internal Medicine (PU-GR), Dept. of Medical Science, College of Medicine**

Applicants who are experts in subspecialty Board of Pulmonology of the Korean Association of Internal Medicine are preferred.

○ **Medical Oncology, Dept. of Internal Medicine (HO-GR), Dept. of Medical Science, College of Medicine**

Medical Oncology (Breast Cancer)

○ **Reconstructive Surgery: Microsurgery, Dept. of Plastic & Reconstructive Surgery (GR), Dept. of Medical Science, College of Medicine**

Applicants must be experts in the reconstruction of wound repair and tumor resection whose major is in microsurgery.

○ **Psychiatry, Dept. of Psychiatry (GR), Dept. of Medical Science, College of Medicine**

Adult Psychiatry

○ **Pulmonary Medicine/Critical Care Medicine, Dept. of Internal Medicine (PU-AS), Dept. of Medical Science, College of Medicine**

Applicants must be qualified for a Board Certified Intensivist of the Korean Society of Critical Care Medicine.

○ **Rheumatology, Internal Medicine, Dept. of Internal Medicine (RH-AS), Dept. of Medical Science, College of Medicine**

Applicants who are experts in subspecialty Board of Rheumatology are preferred.

3. Evaluation Procedure & Criteria

■ First Stage

- A. Evaluation of all applicants' professional experiences and research ability
- B. Result will be announced on the KU Faculty Invitation Website at 15:00 May 12, 2020 (Tue)
(KR Local Time; GMT+09:00)

■ Second Stage

- A. For the First stage qualifiers only
- B. Evaluation of the applicants' teaching and research ability and assessment of the applicants' eligibility for the application field
- C. Result will be notified individually in June.
 - ※ The shortlisted candidates for final interview scheduled in June of July will be contacted individually.

4. Submission of Documents

■ Required Documents for First Stage (On-line application)

- A. Application period: from 10:00 April 13, 2020 (Mon) to 16:00 April 29, 2020 (Wed)
(KR Local Time; GMT+09:00)
- B. Website: <http://invite.korea.ac.kr>
 - ※ On-line application does not require additional documents to be submitted.
- C. Summary of Research Plan (file upload, within 5 pages)
 - ※ Note: Please state the name of applicant and application field at top of the Research Plan.
- D. CV (file upload in 'Attachment' field on the system)

■ Required Documents for Second Stage (First stage qualifiers only)

- A. Degree Certificates (Bachelor's, Master's and Doctoral)
- B. Certificates of Employment
- C. Doctoral Dissertation
- D. Any academic articles or works published since September 2015
- E. Maximum 5 representative articles or works (those published before September 2015 are acceptable)
- F. Two letters of recommendation from the final-degree advisor or others (optional)
- G. Course evaluation materials (applicable only to those with teaching experiences)
- H. Other relevant certificates of qualification (optional, applicable only to those applying for the position which requires certificates of qualification)

- ※ First Stage qualifiers must submit all required documents by postal mail. All materials must be delivered to the following address by no later than May 15, 2020 (Fri).
